Freedom

Plus

to run your private practice the way you want.

Community, Connection, & Support

Our services for professionals

Space:

We offer office space and amenities for your creative therapy practice or services

Individual office spaces: A range of office sizes for rent.

(Full-time given priority, part-time or as-needed options also available)

Spacious group or conference room: Use of the conference room is included with full and part time office rentals. The conference room can be rented for workshops or single events.

Amenities Included with Office Rental:

- Waiting room, kitchenette, and storage
- Shared sun room/greenhouse
- Shared art, play, musical supplies and equipment
- Weekly consultation group
- Your business and services listed on the center website
- Group listing on Psychology Today
- Inclusion in all marketing efforts
- Internet and utilities
- Discounts on in-house continuing education trainings
- Shared referrals

Community:

Joining the Lawrence Creative Therapy Center means joining a community of like minded professionals. We strive to foster an environment of collaboration and mutual support. Members of the collective contribute to planning and decision making.

Learning:

Need some more hands on guidance in your practice? Clinical supervision is available for counselors and art therapists. Consultation services are also available to help with credentialing and setting up the elements of your private practice.

Coming in 2026: LCTC will begin offering continuing education opportunities focused on creative therapies.

Current location: 5040 Bob Billings Pkwy, Lawrence KS
Moving soon to 306 E. 23rd St., Lawrence KS
